Samarth Sase

91+ 9892278604 | seemasase84@gmail.com | LinkedIn | GitHub

Educational Qualifications:

B.E. — Artificial Intelligence & Data Science
SMT. Indira Gandhi College of Engineering | 2024–Present
Current CGPA: 7.82*
***CGPA based on completed semesters.**

HSC — Maharashtra State Board
Atomic Energy Junior College Anushaktinagar, Mumbai| 2024 | 63.67%

SSC — Maharashtra State Board
Academy of Fine Arts and Crafts| 2022 | 77.20%

Skills Acquired:

Programming: C, C++, Python, Java (Basic), JavaScript
Web Development: HTML, CSS, React.js, Node.js, Express.js, FastAPI, REST APIs
Database Management: MySQL, MongoDB
Data & AI: NumPy, Pandas, Matplotlib, Jupyter Notebook
Blockchain: Solidity, Ethereum, Ganache
Operating Systems: Linux, Ubuntu, Windows
Software & Tools: Git, GitHub, VS Code, Postman
Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Computer Networks

Projects:

AaplaPramaanPatra — Blockchain-Based Certificate Verification System
React.js, Node.js, MongoDB, Solidity, Ethereum/Ganache

- Developed a blockchain-based system for issuing, managing, and QR-verifying academic certificates.

HireShield — AI-Based Job Scam Detection Platform
Python, FastAPI, React.js, NLP, REST APIs

- Developed a multi-signal platform to detect suspicious job listings and recruitment websites.

Areas of Interest:

Artificial Intelligence & Machine Learning, Data Science, Cybersecurity, Blockchain Technology, Software Development, Computer Networks
